47. As separate and affirmative defenses and objections to the Complaint, Westinghouse and Andalay further allege:

**FIFTH AFFIRMATIVE DEFENSE**

52. At all times herein, Westinghouse and Andalay acted in good faith.

**SIXTH AFFIRMATIVE DEFENSE**

53. As a result of Zep's own conduct, affirmative statements and admissions, as well as a result of its failure to assert timely any objection to the alleged wrongful acts attributed to Westinghouse and Andalay in the Complaint, Zep has waived any cause of action and/or claim for relief against Defendants in

1 conjunction therewith, and is thus barred or precluded from maintaining such action  
2 or obtaining any judgment or relief whatsoever against Defendants.

3 **SEVENTH AFFIRMATIVE DEFENSE**

4 54. Westinghouse and Andalay allege, on belief that further investigation  
5 and discovery will disclose facts supporting such allegations, that one or more

**SIXTEENTH AFFIRMATIVE DEFENSE**

63. Some or all of the damages claimed by Plaintiff are limited pursuant to 35 U.S.C. §§ 287-288.

**SEVENTEENTH AFFIRMATIVE DEFENSE**

The above affirmative defenses are based upon the information presently known and available to Defendants. Westinghouse and Andalay do not precisely know all facts concerning the conduct of Zep or other parties to state all affirmative defenses at this time. Moreover, discovery in this matter may reveal additional bases for the stated or additional affirmative defenses.
